

A Prayer for Healing of Breast Cancer

Heavenly Father, we thank You for Your steadfast love and kindness. Thank You for sending Your Son, Jesus Christ, to heal us of our infirmities and diseases. Thank You for watching over us and our families. You are a wonderful God and we love You. We give thanks to You, Lord, for You are good. Your faithful love endures forever. Our souls bless You and remember all of Your benefits. You are the One who forgives all our sins, heals us from diseases, redeems our lives from destruction, and crowns us with tender mercies. You satisfy our mouths with good things so that our youth is renewed like the eagle's. O Lord, our Lord, how excellent is Your Name throughout the earth.

Awesome Father, it is Your will that we live free from all diseases. Your thoughts towards us are of peace and not evil, to give us a future and a hope. You sent Your Word to heal and deliver us from destruction. Your Word says that Jesus carried our sicknesses and pains. He was pierced for our rebellion and crushed for our sins. He was beaten so that we could be whole and whipped so that we could be healed. Today, we accept what He has done for us and we decree that by His stripes, ***(name the person that has been diagnosed)*** is healed. Using the authority given to us by Jesus Christ, we command malignant tumors and the primary abnormally deformed cells of breast cancer to die and the metastasizing cells to cease from spreading throughout the body, especially to the lymph nodes, lungs, bones, liver and brain. We command the increased production of healthy cells to destroy renegade cells. We proclaim that no form of breast cancer, including but not limited to ductal and lobular carcinoma, have a legal right in the body of God's children. We speak life and hope to those persons who have been diagnosed with breast cancer and we destroy the assignments of death, despair, destruction, and fear.

Holy Spirit, please reveal the cure for breast cancer. Increase the wisdom, knowledge and understanding of medical doctors, nurses, researchers, technicians, and healthcare personnel who conduct breast cancer research and studies and administer treatment to breast cancer patients. Fill those who are undergoing breast cancer treatment with Your strength, courage, and patience. Strengthen their immune systems and protect their bodies as they undergo chemotherapy, radiation therapy, biological therapy, hormone therapy, surgery, cryosurgery and other procedures. Holy Spirit, comfort and strengthen their family members. Help them to cast their cares upon You, because You are the One who cares for us all. Remind their loved ones to have faith and to believe God for healing and a cure. With people, some things are impossible. But, with You, all things are possible.

Loving Father, we ask You to forgive the sins of those diagnosed with breast cancer. Forgive those who have not been a good steward of their bodies and lifestyles. Forgive those who ignored the warning signs and symptoms. Forgive our nation for not always providing adequate funding and resources for women's health issues. Forgive those who have not trusted You or Your Word. Father, please extend Your mercy to us all. Lord, forgive me for ***(list any sins that you have committed.)*** Holy Spirit, remind those who have been diagnosed with cancer to forgive and help them to be quick to forgive. As for me, Holy Spirit, bring to my remembrance those I need to forgive. ***(Take a moment and ask the Holy Spirit to show you names or faces of people that you may need to forgive. As He shows you, say aloud, "I forgive name of person(s)." Now, trust the Lord to heal any wounds in your soul caused by unforgiveness.)***

Our Father, help us all to not yield to temptation; but deliver us from the evil one.

Lord, there is no one like You. You are great and Your Name is full of power. Who would not fear You, O King of the nations? That title belongs to You alone. All glory belongs to You, God, who alone is God, our Savior through Jesus Christ our Lord. All glory, majesty, power and authority are Yours before all time, in the present and beyond all time! In Jesus' Name, Amen.
