

## A Prayer for Persons Diagnosed with Cancer

### **Scripture Reading:**

Psalm 110, Psalm 91

### **Reflections of the Heart:**

In recent years, too many people have been diagnosed with cancer. For many, this diagnosis creates fear and sometimes hopelessness. For every cancer patient, there is hope. Supernatural healing is as real today as it was in the Book of Acts. By Jesus' stripes healing has been provided. Today, when you pray this prayer, pray in faith and confidence knowing that your words will produce a favorable prognosis.

### **Scriptural Prayer:**

Heavenly Father, we proclaim Your righteousness and praise all the day long. Your faithful love endures forever and Your mercies never cease. Great is Your faithfulness. Who can compare to You? We exalt Your Holy and Righteous Name. You are the Holy One of Israel who sent Jesus, our Lord and Savior, to redeem all mankind from the curse of the law of sin and death. Lord, we thank You for watching over those persons who have been diagnosed with cancer. Thank You for Your healing power. Thank You, Lord, for declaring us overcomers by the blood of the Lamb and by the word of our testimony.

Father, Your thoughts towards us are of peace and not evil, to give us a future and a hope. We believe that it is Your will that we live free from all diseases. Lord, by the authority given to us, we declare that the infirmity of cancer with its many forms and common types— bladder, breast, colon and rectal, endometrial, leukemia, lung, melanoma, pancreatic, prostate, skin, thyroid and other types—are destroyed, in Jesus' Name. We command the primary abnormally deformed cell to die at its root and the metastasizing cells to cease from spreading throughout the body, especially to the lungs, bones, liver and brain. We command the increased production of healthy cells to destroy renegade cells. We declare that abnormal cells will die and not enter into the bloodstream or lymphatic system. Lord, as the Body of Christ, we declare that our members who have been diagnosed with cancer shall live and not die to declare Your wondrous works. Lord, I confess that by the stripes of Jesus, (*name the person(s) who need healing from cancer*) is healed, redeemed, restored and set free from cancer and its symptoms. I declare that supernatural healing is flowing throughout his/her body, in Jesus Name.

Father, we ask You to reveal the cure for cancer. Holy Spirit, we ask You to increase the wisdom and knowledge of medical researchers as they perform cancer studies. We ask You to strengthen those persons who are being treated for cancer. Increase their endurance and patience as they undergo x-rays, chemotherapy, radiation therapy, biological therapy, hormone therapy, surgery, cryosurgery and other procedures. Holy Spirit, comfort their family members. Please protect those who have not been touched by cancer. Destroy any triggers that would create cancerous cells in our bodies. Lord, help us to break poor eating and sleeping habits. Remind us to exercise, eat healthy and get enough sleep.

Father, we ask You to forgive the sins of those diagnosed with cancer. Forgive us all for unhealthy lifestyles and habits. Forgive us for not being good stewards of neither our bodies nor our children's. Forgive us for holding grudges, unforgiveness, resentment, and embedded anger. Lord, remind us of all of those we need to forgive; and help us to be quick to forgive.

Lead us not into temptation; but deliver us from the evil one.

Lord, You are our Redeemer. You are the Lord who makes all things. You stretched out the heavens all alone and You spread abroad the earth. Lord, forever Your Word is settled in heaven. In Jesus' Name, Amen.
