

Dear Believer,

In Mark 4:35-39, Jesus Christ spoke to the weather and commanded it to be calm. So, as believers, we are following His example.

Pray with the authority that has been given to you in Jesus Christ and pray in faith. Please pray this prayer out loud and with fervency and determination. God has placed His power in our verbal expressions, so lift up your voice. Believe that your prayers will produce results in Jesus' Name.

Please pray this prayer 1-2 times per day until the weather pattern changes.

Thank you, in advance, for standing on the wall.

A Prayer Regarding the Severe Weather in the United States

Gracious Father, thank You for loving all of Your creation. Thank You for Your continued grace, mercy, and faithfulness that You extend to us daily. Thank You for giving us the power and authority to pray. Eternal Lord, there is none like You. You are great and Your Name is great in might. Who would not fear You, O King of the nations? This is Your rightful due. Among all the wise men of the nations and in all their kingdoms, there is none like You.

Using the authority given to us in the Name of Jesus, we command peace, be still in the states that have been affected by the severe spring weather including Oklahoma, Alabama, Arkansas, North Carolina, Kansas and Georgia. We declare that the Lord's arm is not too weak to save the residents in these states, nor is His ear too deaf to hear their call. We destroy the demonic assignments that have been issued by the devil to bring about any further devastation in our nation. In Jesus' Name, we rebuke any destructive forces that are operating within La Nina. We command justice to run down like water and righteousness like a mighty stream within every governmental agency and insurance company that is responsible for helping the citizens and communities to recover. We rebuke every demonic power that is assigned to the recovery process, especially the spirits of delay and greed. We command the necessary funds for (local, state and federal) rebuilding to come forth!

Holy Spirit, lead and guide every local, state, and federal leader, as they respond to the areas that have been hit by these tornados. Protect rescue workers, emergency responders, cleanup operators and every person that is part of the restoration process. Touch the hearts of all citizens in the affected communities to provide physical, financial, emotional and spiritual support. Please create urgency within the insurance industry to process insurance claims quickly, so the citizens can begin to rebuild their lives. Convict the heart of any business, agency or individual who would attempt to take advantage of people for profit or gain. Lord, please comfort those family members who have lost loved ones and quiet the fears of citizens, especially children, who have been impacted. Remind them that You will never leave nor forsake them as they put their trust in You.

Merciful Father, please forgive all of us for our many sins. Forgive us for disobedience, rebellion, unbelief, forms of idolatry, shedding of innocent blood, and the rejection of Your Son, Jesus Christ. God, have mercy upon Your Creation. Forgive us for not being sensitive to Your leadership in the earth. Holy Spirit, remind us all of those we need to forgive and help us to be quick to forgive.

Eternal Lord, help us all to not yield to temptation; but deliver us all from the evil one.

Now to You, the King Eternal, Immortal, Invisible, to You who alone is wise be honor and glory forever and ever. In Jesus' Name, Amen.
