ABOUT THE PRAYER INSTITUTE

What does golf have to do with prayer? Psalm 138:8 says "The Lord will perfect anything that concerns you." So, it's okay to pray that your tee shot achieves a hole-in-one!

Since 1995, The Prayer Institute, has reached out locally, nationally and globally to individuals, neighborhoods, organizations and businesses with prayer, intercession and education on prayer.

Board Chair and President Suzette Caldwell leads The Prayer Institute in its vision of **"taking the world by prayer!"** The Prayer Institute's purpose is to pray and teach people how to pray result-driven prayers using the Lord's Prayer as a model.

Financial gifts to The Prayer Institute enable us to offer prayer classes, host area-wide Bible studies, award college scholarships, provide a 24-hour prayer line, conduct neighborhood prayer walks and write and distribute prayers on a variety of subjects that impact the daily lives of individuals and families, and much more.
