## **TAKING THE WORLD BY PRAYER!**

In Luke 11:1, Jesus' disciples asked Him to teach them how to pray. In the first century church, prayer was not solely for religious activities, but was included in all walks and ways of life. As Jewish people, prayer was an integral part of their lives. Yet, Jesus' disciples asked to be taught to pray which suggests that prayer is not something we are born knowing how to do; prayer is learned behavior. It is to be taught. Many believers have a desire to pray but don't know what to say or do.

Since its inception, The Prayer Institute has been teaching believers how to pray using the Lord's Prayer as the model. The Prayer Training Conference provides an exciting, interactive, hands-on training curriculum that teach: what is prayer, the purpose for prayer, and how to produce God's plans for our lives. Filled with challenging exercises, thought provoking discussion, and an abundance of wisdom and knowledge, this two-day conference will change your life!

## TOPIC DESCRIPTIONS

### What is Prayer – The Bible

states that believers should earnestly pray at all times.

Most believers have a desire to pray, but they are not successful because of a lack of understanding.

Students will learn the definition of prayer, God's purpose for prayer, why prayer was created, and why believers should pray.

### Prayer and God's Word, Parts I and II

The Word of God is uniquely powerful; it is able to create what did not exist before and it is mighty in bringing change to our circumstances. According to Jeremiah 1:12, the Lord watches over His Word to perform it. Therefore, it is imperative for believers to release His Word so that the Lord can act upon it. Students will discover the relationship between Scripture and powerful, productive prayers. They will be taught how to incorporate God's Word into their prayers in order to maximize results.

## TOPIC DESCRIPTIONS

*Cont'd*

This session will discuss the author of the Word, the purpose for God's Word, and the connection between prayer and the Word. Students will practice using God's Word to form effective prayers through verbal and written exercises.

**The Model Prayer, Parts I, II and III** – In Matthew 6:5-8, Jesus provided directions to His disciples for effective, productive prayers. In response to their request to teach them how to pray, He told them to pray “in this manner.” We know the prayer that follows in Matthew 6:9-13 as the Lord's Prayer or the Model Prayer. This prayer contains the key components that will guarantee God's results for our lives. In this interactive session, students will discover the Kingdom revelations hidden within the Model Prayer and learn how to pray using the principles revealed by these revelations.
